The Brian Williams

Shaved smoked turkey breast, sliced avocado, fresh tomato, jalapeno jack cheese and a homemade thousand island dressing served on a grilled hoagie roll.

The Ron Burgundy

Sliced chicken is cooked with our homemade Cajun seasoning, nestled in a bed of shredded lettuce, topped with garlic cream dressing and served on thick cut soft Vienna bread.

The Al Roker

Seasoned Roast beef, caramelized mushrooms and onions, Havarti cheese, a creamy horseradish and arugula all inside a hoagie roll that is then grilled to perfection.

The Diane Sawyer

No Meat? No Problem! Roasted veggies and grilled eggplant meet with our rich sundried tomato pesto, goat cheese and arugula, all together on a thick cut grilled Vienna bread.

The Walter Cronkite

Thinly sliced maple ham combines with Swiss and Cheddar cheese before being slathered with a tangy whole grain Dijon sauce and served up on a toasty pretzel roll.

We craft our own specialty sauces and sides from scratch using fresh quality ingredients as well as slice our own meats daily. Our small operation lets us keep everything fresh, stay consistent and put care into everything we do.
